

UMAR ATIF

MERN Stack Developer

+92 321 2665727 umaratifweb@gmail.com <https://www.linkedin.com/in/umar-atif/> Karachi, Pakistan

SUMMARY

MERN Stack Developer skilled in MongoDB, Express.js, React, and Node.js. Experienced in building responsive, user-friendly web applications with clean, maintainable code. Passionate about solving problems, learning new technologies, and delivering high-quality digital solutions. Eager to contribute to real-world projects and grow as a developer.

EXPERIENCE

Web Developer

Karachi, Pakistan

[Saylani Welfare International Trust](#)

05/2024 - 07/2025

Saylani Welfare International Trust is a leading IT training institute providing hands-on, project-based learning in web and mobile app development.

- Completed 14-month hands-on Web and Mobile App development program.
- Built 5+ real-world projects including authentication systems, CRUD apps, and admin dashboards.
- Designed 100% responsive UIs using HTML, CSS, JavaScript, React, and Tailwind CSS.
- Integrated REST APIs and implemented secure backend logic with Node.js and Express.js.
- Managed MongoDB databases for dynamic applications.
